And these Students made the most of this opportunity by securing Top Ranks in JEE Advanced, thus realizing their most cherished dream.

A Social Initiative by

FIITJEE to Help the Economically Deprived

Since its inception in 1992, FIITJEE has always supported meritorious and deserving Students to succeed in their career goals. Students joining FIITJEE's training programs have excelled not only in JEE Advanced but also in JEE Main & other Engineering Entrance Examinations / SAT / Olympiads / NTSE & KVPY. FIITJEE's emphasis on making the Students imbibe the fundamental concepts of Science & Maths and on sharpening their analytical skills & parallel thinking processes has ensured that the Students have also performed excellently in their school studies & Board Exams.

The prime objective of FIITJEE has been to provide Students with a platform where they are able to access the collective knowledge of experts that can help them in achieving their goal. It has been our endeavour at FIITJEE to make this pool of knowledge accessible to as many Students as possible, purely based on their capabilities & potential and not on their financial ability. In consonance with this belief, FIITJEE has supported financially weak Students with scholarships & grants.

Though the number of seats in IITs is limited but any Student preparing for IIT-JEE at FIITJEE reaps benefits beyond IIT-JEE. FIITJEE takes pride in improving attitude, creativity, analytical skills & IQ of all its Students. This change helps each of our Students in giving his / her best performance in all vistas of academic pursuits and career thereafter.

Taking the initiative of helping the economically underprivileged to a larger level, in the year 2008, FIITJEE constituted **FORTUNATE 40** – A program to provide world-class training to talented Students from financially weaker backgrounds to achieve their goal of success & Top Ranks in IIT-JEE and Other Competitive Exams.

The program financially supports capable Students soon going to class IX & class XI and whose total parental income is less than Rs. 10,000/- per month. FIITJEE supports these meritorious Students in their preparation for achieving their dream goal, by awarding 100% scholarships for FIITJEE program & 100% waivers on hostel charges. For Integrated School Program, the school fee will be charged from the Student (at some locations scholarship on school fee may also be awarded). The **FORTUNATE 40** batch for each program, at each location, will have a maximum of 40 Students only.

Students will have to appear for a selection test on **Sunday, 4th February 2018**. There is no registration fee for the selection test. Selected Students will be notified and admitted to the program with 100% scholarships.

The final discretion of award of scholarship in each case will remain with FIITJEE and this decision will be final and binding on the candidate.
