Students enrolling in Rankers Study Material (One Year Version) for JEE (Main & Advanced), 2018 will have the advantage of availing classroom contact program of about 100 hrs. at all FIITJEE centres on payment of a nominal fee. Since the seats will be limited, selection will be on the basis of performance in Part Test-I of AITS to be held in November, 2017 for JEE-2018 aspirants.

Testing pattern of JEE (Main & Advanced) keeps on changing but the key aspect of the test is to judge the student's analytical ability alongwith his / her core knowledge of the subjects.

In the quest for a seat with a good rank in JEE (Advanced) where about 10,000 of the entire science students of the country can be accommodated, only the deserving ones can make to the IITs irrespective of the testing pattern. In order to select the best, the level of difficulty would remain unchanged. Students having sound fundamental knowledge of subject will always outperform the students who are only confining their preparation to pattern rather than understanding the concepts. Since inception, FIITJEE has laid emphasis on making the students imbibe the fundamental concepts of Physics Chemistry & Mathematics and on sharpening their analytical skills and parallel thinking process. At FIITJEE you will find a very powerful system that can help you unfold your full potential systematically. What is required is total dedication and hard work.
