PROGRAM FOCUS & OBJECTIVE

This program is a highly compressed pedagogy scheme wherein students are given specialized classroom training to equip them with conceptual clarity and test practice for JEE Main and JEE Advanced. The course entails highly focused study material along with real time interaction for making students adept at complex problem solving. The Problem Solving sessions are supported with expertly designed problems aimed at making the students gain problem solving expertise along with conceptual clarity.

MAIN OBJECTIVES OF THE PROGRAM

- Leading to significant improvement in the JEE Main & Advanced Rank.
- Toning up of the skills, plugging loop holes and raising the level of confidence.
- Laying emphasis on problem solving techniques.
- Acquiring Speed and Accuracy.
- Empowering each student to have a strategy of his own for TIME MANAGEMENT which is very crucial at this juncture. The student will be learning all important aspects of time management which will make the student perform to his/her best potential on the JEE Exam day.
- Developing Revision Strategies to achieve optimum performance on JEE day.

COURSE STRUCTURE

- An Exclusive & Specialized Study Material will be given to the students consisting of specifically and strategically formulated assignments, which will take care of the needs and demands of JEE Main & JEE Advanced pattern.
- As an immediate goal complete thrust will be given on the JEE Main to help student perform to their optimum performance and become eligible to attempt the JEE Advanced.
- Students selected for JEE Advanced would be given Special Classroom Support i.e. Rank Improvement Program (RIP) of 54 hours for the same.
- Mini Test Series (AITS): To develop Sound Examination Temperament, strategically designed Tests on the pattern and level of difficulty of JEE Main & JEE Advanced will be given as a part of this Program. Student will attempt 4 papers on JEE Main pattern & 7 Papers on JEE Advanced pattern to be conducted at the test centre which also includes the Open Test on JEE Main & Advanced.
- A highly competitive environment and constant feedback helps the student to channelize his/her efforts in the right direction.
myPAT JEE-Ranker (Online Test Series for JEE Main + JEE Advanced) through www.mypat.in:
myPAT is an Online Platform for Learning through Assessment, Analysis, Identification of Knowledge Gaps and Remedy Options. myPAT empowers you with your own Subject Concept Coverage Meter, Performance Meter and Success Meter. It also enables higher learning outcome, building exam temperament & readiness and ensures success in competitive exams.

With myPAT - You Can
