

Super Condensed Classroom Program

for

JEE (Main), 2018

(For XII Studying / Pass Students)

Program Focus & Objectives:

The program is aimed at equipping students with all the requisite assistance to revisit and master the previously learnt concepts in a span of not more than two weeks. While concepts are covered at a swift rate, students are given enormous practice questions and assistance to gain expertise in JEE Main and attempting the exam. The program is a highly specialized platform to elicit the best from the students' on the D-day and attain the best rank as per their capability.

Special emphasis would be given on those topics which are in JEE Main but not in JEE Advanced, as students generally ignore these topics in their year long preparation and significantly lose marks.

This program will improve your time management techniques in last minute preparation as well as exam time, which is very crucial at this juncture just before the JEE (Main) Exam.

The student will be learning all important aspects / short techniques which will improve their strike rate leading to optimum performance on the exam day.

For XII appearing students, this program will also ensure that the time after the XII board exam is been used effectively to significantly improve your performance in JEE (Main) day.

Course Includes:

- ❖ Exclusive Study Material with important points on every topic along with assignments of JEE (Main) level
- ❖ myPAT Online Test Series for JEE Main (**JEE Main – Basic**) will be provided which will include 17 Tests for JEE Main. (All these tests are pattern proof and based on syllabi of JEE Main).
