For the first time in history of IIT-JEE, the Joint Entrance Examination (Advanced) 2018 was conducted through online mode i.e. in computer based test mode. All future JEE Advanced exams will be conducted in Computer based Test (CBT) mode.

A decision has also been taken at the level of the IIT Council to, inter alia, improve the gender balance in the undergraduate programs at the IITs from the current (approximately) 8% to 14% in 2018-19 by creating supernumerary seats specifically for female candidates, without any reduction in the number of seats that was made available to non-female candidates in the academic year 2017-2018.

In another major announcement, Human Resource Development (HRD) Ministry announced that from 2019 the Joint Entrance Exam (JEE Main) will be conducted twice in a year (January and April) through Online (Computer Based Test) mode only. Newly Constituted National Testing Agency (NTA) has started conducting JEE Main from 2019 which was earlier conducted by CBSE.

FIITJEE prepares you for IIT-JEE in a Pattern Proof Mode. We are the only institute where students do well not only in JEE Main & JEE Advanced but also in Other Engineering Entrance Exams & Boards.

All FIITJEE Students who qualified for JEE (Advanced) had also scored well in their XII Board Exams thus figuring in the Top 20 percentile of their respective Boards.

Program Focus & Objectives

This program is for those students, who were doing self study or were taking some guidance / tuitions in class XI for completing their JEE (Advanced), JEE (Main) syllabus of class XI.

But now they are not very confident that with their current academic performance, they will be able to succeed in JEE (MAIN), JEE (Advanced) 2020 & Other Competitive Entrance Exams.

And once they compare their preparation level with that of their friends studying in FIITJEE, who happened to be at the same level earlier, they see them solving JEE (Advanced), JEE (Main) level problems of increasing difficulty there by demonstrating better analytical and problem solving skills. Students studying in FIITJEE are not only going to do well in JEE (Advanced), JEE (Main) but also in Other Competitive Examinations.

So if you feel that there is a need to change your strategy and the guidance, then you need to make Amends for Your Mistake & ACT NOW!

We give you this opportunity through our Special One Year Classroom Program. This program will lay Emphasis on making the students imbibe the fundamental concepts of Physics, Chemistry & Mathematics and on sharpening their analytical skills and parallel thinking process which makes them capable of creatively resolving complex and tricky problems by mere application of basic concepts for a quantum jump in their performance in JEE (Advanced), JEE (Main). Each student has the right strategy for himself/herself for TIME MANAGEMENT to ensure optimum output. This enables the students to excel not only in JEE (Advanced), JEE (Main) and Other Engineering Entrance Exam and XII Board Exams.

Course Structure

- The Students of this program will be merged with Students of Two Year Classroom Program for JEE (Advanced), 2020 i.e. from Phase IV onwards as per their performance in the Admission Test so as to give them competitive environment.

- The class XII syllabi of JEE (Advanced), JEE (Main) will be covered in 2 phases, followed by review classes on XII syllabi of JEE (Advanced), JEE (Main) & Crash Revision of XI.
Students will be getting the Study Material of Class XI syllabi and Test Papers of AIITS (JEE (Advanced) + JEE (Main), 2020) before the commencement of the program.

- There will be Right mix of classes, problem solving and doubt clearing sessions.
- Comprehensive & thoroughly revised study material.
- Periodic tests on the latest JEE pattern. Regular feedbacks & Test Analysis Sessions.
- Home assignments / Workbook.
- Chapter practice problems (CPP): On each chapter students will be given chapter practice problems which they have to attempt and submit before the beginning of the next chapter. These solutions will be checked by the faculty and will be returned to the students with remarks and suggestions. Thus helping every student to have a very strong command over fundamental concept knowledge very crucial for getting Top ranks.
- Class Learning Improvement Program (CLIP): Icing on the cake of every class will be done through Class Learning Improvement Program for those who have completed all assignments to further help them get a higher rank in (JEE (Advanced), JEE (Main) & Other Engineering Entrance Exams.
- Success Potential Index (SPI): We are the only institute in India having the capability to predict Success Potential Index (SPI) of a student. We constantly encourage our students to emulate their Success Potential Index (SPI).
- All India Internal Test Series (AIITS): These test make students acquainted with a diverse set of examination patterns and alongside confer them with their National level performance ranking in the respective patterns. Tests are based on the common minimum syllabus of all classroom / School Integrated Programs.
- Students will be given Rank Improvement Program (RIP) at the end of the course.
- After completing class XII syllabi, students will be given Review Classes to revise their class XI syllabi.
- Additional help for XII Board Exams. Practice Mock Test Papers for XII Board Exam.
- JEE Archive: Question Bank with Answers of previous year JEE (Main & Advanced) papers.
- Grand Masters Package (GMP): An exclusive fundamentals search based package of 1500 Top quality problems on JEE pattern testing your understanding of the subject. It covers all aspects of JEE problem solving Techniques.
- All India Computer based Test Series (AITS - CBT): to be conducted at the National Level on the present & expected pattern of JEE (Main & Advanced).
- Open Test for JEE (Main & Advanced) to be conducted in more than 65 cities. Student will receive their score, percentile, All India Rank, analysis of result and suggestions for improvement.
- Online Test Series for JEE Main + JEE Advanced + BITSAT + KVPY through www.mypat.in : myPAT, is an Online Platform for Learning through Assessment, Analysis, Identification of Knowledge Gaps and Remedy Options. myPAT empowers you with your own Subject Concept Coverage Meter, Performance Meter and Success Meter. It also enables higher learning outcome, building exam temperament & readiness and ensures success in competitive exams.

With myPAT - You Can
- Take Subject Concept Tests, Full & Part Online Test Series.
- Experience simulated test environment for your preparation.
- Achieve your goal and claim the glory.
- Gain insights through in-depth analytics & detailed score report.
- Benchmark yourself amongst successful aspirants.
- Identify improvement areas and remedial suggestions.

- Dedicated academic operations team provides feedback at any point of time apart from scheduled parent teachers meetings.

Duration

Classroom contact hours of approx. 280 hours: However, the actual total input provided to the student is more than 350 hours which includes
- Doubt clearing classes
- Rank Improvement Program
At FIITJEE based on your needs we have planned your academics and it will unfold as you go along.

**FIITJEE Classroom Program – The Winning Formula**

- Excellent Classroom Teaching
- + Personalized Attention
- + Pattern – Proof Study Material
- + Chapter Practice Problems (CPP)
- + Classroom Learning Improvement Program (CLIP)
- + All India Common Phase Test
- + All India Internal Test Series (AI²TS)
- + All India Computer Based Test Series (AITS-CBT)
- + Online Test Series (myPAT)
- + Success Potential Index (SPI)
- + Rank Improvement Program (RIP)
- + Grand Masters Package (GMP)

**Excellence in XII Board, JEE Main, JEE Advanced & Other Competitive Entrance Exams**

This program is integrated and implies that we judge you only once and then take the responsibility of navigating your career for the entire curriculum. The above program has two options to choose from:

**Regular Week Contact Program**

Classes shall generally be held three or four days a week, for four hours each time. The Classes are usually conducted after school hours (i.e. from 3:30 p.m. to 7:45 p.m.). (Early completion of the Course enables all students to cope up well with the last month’s pressure of school besides giving adequate time for revision and consolidation of the knowledge and skills acquired at FIITJEE and required for being successful in JEE(Advanced), JEE(Main).

**Weekend Contact Program**

Classes shall be held only on Saturdays and Sundays (except during vacations, during which the frequency of classes may increase), all three subjects shall be taught for two hours each on each day of class (of course with appropriate breaks). Students will be having classes on Saturday mornings too. *Classes shall be held on Saturday & Sundays as per the following schedule*:

<table>
<thead>
<tr>
<th>ON SATURDAY</th>
<th>ON SUNDAY</th>
</tr>
</thead>
<tbody>
<tr>
<td>1st Class</td>
<td>10:30 a.m. to 12:30 p.m.</td>
</tr>
<tr>
<td>2nd Class</td>
<td>12:45 p.m. to 2:45 p.m.</td>
</tr>
<tr>
<td>3rd Class</td>
<td>3:30 p.m. to 5:30 p.m.</td>
</tr>
</tbody>
</table>

* Subject to change if required.

**Course Fee:**

For Course Fee details please contact your respective FIITJEE study Centre.
Admission cum Scholarship Test:
24th March 2019. Students will also get Success Potential Index (SPI) and Bench Marking on the basis of the Admission test performance.

Result Declaration Date:
The result will be declared on 29th March 2019 at 5 PM
- Result will be available through ON-LINE mode only. Selected students can download the Enrolment Kit (Offer Letter, Enrolment Form, Program Fee etc.) from the result declaration Portal or collect it from nearest FIITJEE Centre.
