

LEAP – Classroom Program for JEE Main

for Excellence in JEE Main (January, 2019)

XII Studying / XII Pass Students

Dear students, as you are aware that Human Resource Development (HRD) Ministry has announced that from 2019 the Joint Entrance Exam (JEE Main) will be conducted twice in a year (January and April) through Online mode only. Newly Constituted National Testing Agency (NTA) would start conducting JEE Main from 2019 which was earlier conducted by CBSE.

With very little time left for JEE Main 2019, it is very important for you to put your sincere efforts and stay focused till your goal i.e. Excellent Rank in JEE Main is not achieved. You should ensure that you do a lot of regular self study and also do not miss even a single class so that you can easily adjust to the speed of this program and get the maximum benefit out of it.

With new changes in JEE Main students can appear for JEE Main in January 2019 and April, 2019 FIITJEE's program LEAP – Classroom Program for JEE Main is specifically suitable for such wise Students. It Will provide an opportunity to complete your JEE syllabus much earlier, thus providing you ample time to focus on Boards and for revision of JEE Advanced.

Program Focus & Objectives:

Excellence in JEE Main : Emphasis on making the students imbibe the fundamental concepts of Physics, Chemistry & Mathematics and on sharpening their analytical skills and parallel thinking process which makes them capable of creatively resolving complex and tricky problems by mere application of basic concepts for a quantum jump in their performance in JEE Main. Each student has the right strategy for himself/herself for TIME MANAGEMENT to ensure optimum output. This enables the students to excel in **JEE (Main)**.

Key Features of this Program:

- ❖ Entire course is divided into **3 phases**.
- ❖ **Extensive coverage of topics for JEE (Main)**.
- ❖ Each phase has exhaustive quizzes and Phase Tests
- ❖ Right mix of classes and problem solving.
- ❖ Good comprehensive pattern proof & thoroughly revised study material.
- ❖ Periodic tests on the **JEE Main pattern**. Regular feedbacks & test analysis sessions.
- ❖ Home assignments / Workbook.
- ❖ **Chapter practice problems (CPP)**: On each chapter students will be given chapter practice problems which they have to attempt and submit before the beginning of the next chapter. These solutions will be checked by the faculty and will be returned to the students with remarks and suggestions. Thus helping every student to have a very strong command over fundamental concept knowledge very crucial for getting Top ranks.
- ❖ **Success Potential Index (SPI)**: We are the only institute in India having the capability to predict Success Potential Index (SPI) of a student. We constantly encourage our students to emulate their Success Potential Index (SPI).
- ❖ **JEE Main Archive**: Question Bank with Answers of previous year JEE (Main) papers.
- ❖ **All India Test Series for JEE Main (AITS)** to be conducted at the National Level on the present & expected pattern of JEE (Main).
- ❖ **Open Test for JEE (Main)**: to be conducted in **more than 65 cities**. Student will receive their score, percentile, All India Rank, analysis of result and suggestions for improvement.

- ❖ **myPAT Online Test Series for JEE Main** through www.mypat.in : myPAT, is an Online Platform for Learning through Assessment, Analysis, Identification of Knowledge Gaps and Remedy Options. myPAT empowers you with your own Subject Concept Coverage Meter, Performance Meter and Success Meter. It also enables higher learning outcome, building exam temperament & readiness and ensures success in competitive exams.

With myPAT - You Can

- Take Online Test Series.
- Experience simulated test environment for your preparation.
- Achieve your goal and claim the glory.
- Gain insights through in-depth analytics & detailed score report.
- Benchmark yourself amongst successful aspirants.
- Identify improvement areas and remedial suggestions.

Duration:

Classroom contact hours of approx. 280 hrs. However, the actual total input provided to the student is more which includes

- ❖ Doubt Clearing Classes (DCC)
- ❖ Phase Tests and Tests of All India Test Series for JEE Main
- ❖ Test Analysis Sessions etc.

Normally classes are held 3/4 days a week for 4 hrs to 6 hrs each time.

Note: The schedule of classes may vary from one study centre to another. Kindly contact your nearest FIITJEE centre for more details.

Since inception, FIITJEE has laid emphasis on making the students imbibe the fundamental concepts of Physics, Chemistry & Mathematics and on sharpening their analytical skills and parallel thinking process. At FIITJEE you will find a very powerful system that can help you unfold your full potential systematically. We train our students in such a way that they are ready to scale JEE successfully irrespective of the pattern. What is required is total dedication and hard work.

At **FIITJEE** based on your needs we have planned your academics and it will unfold as you go along.
